

EU DECLARATION OF CONFORMITY

LR02-LxxM-IS

(Where xx is the length i.e. 05 is 5m and xx cannot exceed 20m)

Triton Controls Ltd declare under our sole responsibility that the product(s) listed above conform with the relevant provisions of directive 2014/34/EU and are also compliant with the RoHS directive.

Notified Body: Sira CSA Certification Service (2813)

Utrechtseweg 310

6812AR Arnhem

Conformity has been demonstrated with reference to the following documentation:

EU type examination certificate Sira 04ATEX2187

Quality Assurance Notification Sira 04ATEXM303

Compliance with the Essential Health and Safety requirements has been assessed by reference to the following standards:

EN 50014:1994 + Amendments 1 & 2

EN 50020:2002

Checked yearly against the standards:

EN 60079-0

EN 60079-11

We have performed a gap analysis between the old and new standards referenced above and have found that there are no significant changes as per our product range and they continue to represent "State of the Art".
